THE MINISTER OF STATE IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT (SHRIMATI KANTI SINGH): (a) No new scheme was initiated by Government for upliftment and empowerment of rural women during the last three years in Rajasthan. However, Department of Women and Child Development is implementing the schemes of Swayamsidha, Support to Training and Employment Programme for Women (STEP), Schemes of Rashtriya Mahila Kosh (RMK) etc. in Rajasthan.

(b) Details of amount released in Rajasthan during the last three years under these schemes are as under:

Swayamsidha	—	—	25.00
STEP	1.57	0.50	2.11

(c) and (d) These schemes have been formulated by keeping in mind women development indices, need for the scheme, availability of funds etc.

IIT status of Malviya Engineering College

T2803. SHRI LALIT KISHORE CHATURVEDI: Will the Minister of HUMAN RESOURCE DEVELOPMENT be pleased to state:

(a) whether the Malaviya Engineering College has been accorded the status of I.I.T. and made a national institute;

(b) whether there is any justification for existence of M.N.I.I.T. after the opening of L.N. Mittal Institute of Information Technology at Jaipur; and

(c) whether the matter of according status of I.IT. to this institute would be reconsidered?

THE MINISTER OF STATE IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT (SHRI MD. ALI ASHRAF FATMI): (a) malaviya Engineering College has not been accorded the status of IIT. However, the erstwhile Malaviya Regional College Jaipur has been taken over by the Central Government and has been made Malaviya National Institute of Technology in May, 2003.

(b) The Malaviya National Institute of Technology, Jaipur is contributing substantially to meet the country's growing requirements for trained technical manpower. Opening of L.N. Mittal Institute of Technology at Jaipur has nothing to do with the existence of Malaviya National Institute of Technology.

(c) No such proposal is presently under consideration.
